Sir,

With reference to your official memo no 689 dated 21st November 1901, forwarding a petition from one Venkataramayya of Belur, praying that he may be granted some rice allowances from the Muzrai Annachattrum at Belur, I have the honor to state that the Amild of Belur reports, that the petitioner, a boy reading in a school at the place, is destitute of every means

of maintenance, his poor father being blind of both eyes and having besides a mother and sister depending on him. It is also reported that in an average Rs 10/- is being every month saved and credited to the Chattanna under the head "Surplus".

2. — Government Proceedings No 3427-34 / Civ 603 dated 8th August 1888 in disapproving of the practice of issuing monthly supplies to Nemidars provides that if the Deputy Commissioner is satisfied that a person is without means of support and incapable of earning a livelihood on account of certain physical incapacities, such a person may be allowed an allowance.

— In the present case the petitioner

petitioner is School-going boy has a father of physical disability and has no other means of support— There is no also a savings, after all legitimate demands of the Institution. Hence this Case is one under the Exception contemplated in the Proceedings above quoted.

4— I recommend that as a special Case, the petitioner may be allowed one Seer of rice with its Condiments every day for a period of 4 years when he is expected to attain his majority and be able to earn his livelihood.

5— The petition and the Amildar's report-No 25 without date are herewith submitted for reference and obliging return.

Proceedings of the Dewan to His Highness the Maharaja of Mysore, (General),—dated 8th August 1888.

CIRCULAR.

No. 3427-34—Cir. 103, dated 8th August 1888.

Order.—In Proceedings No. 3917—166, dated 9th August 1886, the following order was passed.—

"The Dewan desires it to be pointed out that the issue of monthly supplies to "Nemidars is not a proper appropriation of the funds set apart for chattrams. "Though it is undesirable to stop such supplies to the Nemidars suddenly, yet on "their doath, the supplies should never be continued to their heirs. No name should "be newly added to the list of Nemidars".

2. The Dewan has again given his best consideration to the subject and has arrived at the conclusion that the above rule is a sound one and should always be adhered to.

3. An exception to it may however be made in the case of any person (of the caste for whose benefit the chattram or other charity is founded), if the Deputy Commissioner is satisfied that (*a*) such person is without any means of support whatsoever and (*b*) is incapable of earning a livelihood by reason of extreme old age, blindness, lameness, or some such physical disability. Any allowance granted to such persons should as far as possible be met from the monthly savings of the institution after all legitimate demands for feeding in the ordinary course have been met. An order requiring such persons to be fed *permanently* at a chattram, would often test allegations of poverty brought forward, but whether or not such a test should be resorted to is a matter which the Dewan would leave to the Deputy Commissioner's discretion.

4. The reduction of the number of *Nemidars* owing to lapses under the Orders No. 3917—166, dated 9th August 1886, will, it is hoped, place sufficient funds at the disposal of the various institutions not only to carry out their original object but also to afford help to deserving objects of charity referred to in para 3 above. Where this is not the case, the Deputy Commissioner must take steps to weed the list of *Nemidars* of all persons not really in need of help, and stopping their allowances after giving them sufficient previous notice of, say, 3 or 6 months.

Petition No 975, dated 3rd March 1894, from Ramabhatta and others, complaining against the grant of rice allowance to one Srikantasastri, Parpattegar of the Sri Prasanna Nanjundeswaraswami temple in Mysore, from the Devikuta of the Sri Chamundeswari temple on the hill at Mysore.

Further correspondence on the subject ending with Kanarese Rubkari No. 34, dated 12th July 1894, from the Palace Controller, Mysore.

No. 101-9—Muz. F. 12-94, DATED BANGALORE, 1ST AUGUST 1894.

ORDER THEREON.—From the correspondence read above, it is observed that in August 1883, the late Mr. Chidambaram Iyer, the then Palace Assistant Commissioner, authorized a monthly grant of sixty seers of rice from the savings of the Devikuta of the Sri Chamundeswari temple, to one Kadabada Seshabhatta. On the death of the recipient, his widow Sithamma applied for the continuance of this allowance to her, on which the Palace Assistant Commissioner passed an order directing the payment to her of a monthly allowance of thirty seers of rice, out of the sixty seers which her deceased husband was in receipt of. This order, the Government observe, was highly irregular. The allowance sanctioned to Seshabhatta being only personal ought to have lapsed on his death.

2. Again in December 1890, Srikartasastri petitioned the Palace Controller, claiming the other thirty seers remaining out of the sixty seers originally granted to Seshabhatta, on the ground that he, petitioner, was the brother of the deceased Seshabhatta. The Palace Controller thereupon passed another order granting Srikantasastri's prayer, apparently under the impression that the allowance originally granted to Seshabhatta was a hereditary one—which as a matter of fact, it was not.

3. The non-hereditary character of such Nelimi allowances has been clearly laid down in the Dewan's Proceedings No. 3427--34, dated 8th August 1888. Para 3 of this order clearly states that rice allowances could be granted only to individuals laboring under some physical disabilities—such as extreme old age, blindness, lameness, &c. But in the case of Srikantasastri now under advertence, no such reasons could be assigned. He is on the other hand an able-bodied and robust man; and what more, he earns his livelihood as Parpattegar of the Sri Prasanna Nanjundeswaraswami temple. To grant a rice dole to such a man from the funds specially assigned for the feeding of poor pilgrims visiting the temple is a clear misuse of the charity.

4. In these circumstances, the Government direct that the rice allowance now paid to Srikantasastri be discontinued after giving him a previous notice of three months.
